JUNIPER ALL-ACCESS TRAINING PASS
The most cost-effective way to develop Juniper skills

Overview
The Juniper All-Access Training Pass helps improve skills and achieve business objectives by providing access to world-class training, including every Juniper-facilitated course, our entire catalogue of on-demand courses, and JNCIE self-study bundles. The All-Access Training Pass makes our training courses available to a named individual, a team of 10, or up to 25 people across your organization for an entire year.

An All-Access Training Pass offers the flexibility that learners need to achieve their business objectives at their own pace through knowledge and skills transformation. By providing access to world-class Juniper training content on demand, live online, or through classroom-based open enrollment training (subject to availability), Juniper’s All-Access Training Pass lets users choose the training format that best meets their individual or group learning needs and preferences.

All-Access Training Pass Tiers
In addition to technical training, each All-Access Training Pass includes additional training and certification opportunities at the team and enterprise levels.
